

June 10, 2009

Dear OAC Supporters,

The Ontario Access Coalition is formalizing its membership policies. Although individual memberships are only \$5.00 annually, corporate memberships are \$50.00 annually.

Membership ensures that you are added to the growing list of individuals and businesses supporting responsible access to climbing areas. A larger membership ensures a unified voice that speaks on climbers' behalf. Additionally this provides a single point of contact for land managers, when concerns are raised. Funds are required to:

- support presentations and negotiations with Land Managers (travel expenses and presentation materials);
- conduct good will events (Earth Day clean-ups, etc);
- collaborate with land managers on joint projects (new signage at Half-Way Log Dump, bolting projects)
- distribute critical Access information to the climbing community (flyers, website hosting, area specific guidelines, crag signage)

In exchange for your corporate support, your company logo will be displayed on our website's main page with a clickable link to your own website, alternating with all the other corporate supporters. Other opportunities for demonstrating your support above and beyond the minimum, such as: premier advertising opportunities (permanent front page banner on the website), title sponsorship of events, event hosting and joint distribution of OAC merchandise are available. They can be arranged separately.

The Ontario Access Coalition is grateful to all our past supporters and we look forward to increasing members' support to help us carry out our mission.

Membership forms can be found at [www.ontarioaccesscoalition.com](http://www.ontarioaccesscoalition.com). We look forward to working together to ensure responsible access to the crags!

OAC Executive
